DONLON COATINGS INC.

Specialty Concrete Coatings

Garages are being transformed into vital extensions of homes.

To make that often neglected room more versatile, start with a decorative, durable resinous flooring system from Donlon Coatings, Inc. We install 1/8" thick resinous floors in a variety of solid colors or decorative multi-colored quartz or flakes.

The team at Donlon Coatings, Inc. brings unparalleled dedication, knowledge, and over 30 years' experience to every project that we undertake. With our experience in the business, we are dedicated to providing our customers with the highest quality garage flooring systems available to suit your style and budget.

Resinous Garage Floor Benefits:
